

Coach guide: get set up

Setup takes about 10 minutes. Have your lesson prices, the places you coach, the hours you're available, and your bank account or debit card handy for payouts.

STEP 1

Create your account

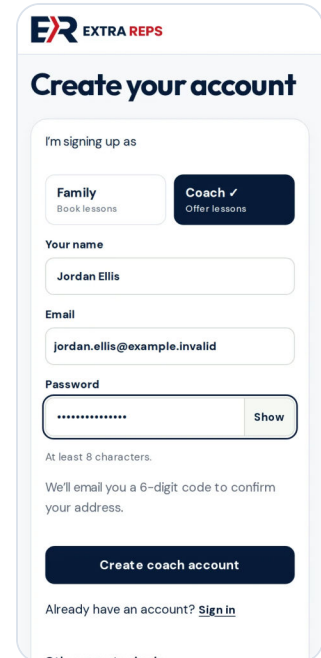

Open the ExtraReps app, or go to app.extrareps.app, and tap **Create an account**. Continue with Google or Apple, or choose **Continue with email**.

STEP 2

Choose Coach and add your details

Tap **Coach**, then enter your name, email and a password of at least 8 characters. Tap **Create coach account**.

STEP 3

Confirm your email

We email you a 6-digit code. Enter it and tap **Verify email**. If it doesn't arrive within a minute, check your spam folder or tap **Send a new code**.

The screenshot shows the 'Check your email' screen. At the top is the 'EXTRA REPS' logo. Below it, the text 'One more step' is followed by the title 'Check your email'. A message states: 'We sent a 6-digit code to **jordan.ellis@example.invalid**. Enter it to finish setting up your account.' Below this is a 'Verification code' input field. A note says: 'The code expires in 15 minutes. Check your spam folder if you don't see it.' Another note says: 'Already have an account with this email? We sent a note instead of a code. Sign in'. At the bottom is a 'Verify email' button. Below the button are two links: 'Send a new code in 59s' and 'Wrong email? Start over'.

STEP 4

Step 1 of 5: Introduce yourself

Write two or three sentences about your coaching. Families read this on your booking page before they book. Your mobile number is optional.

Need a break? Tap **Finish later** at any step. Your progress is saved.

The screenshot shows the 'Introduce yourself' screen. At the top is the 'EXTRA REPS' logo and a 'Sign out' button. Below the logo, it says 'Step 1 of 5' and 'Finish later'. The title 'Introduce yourself' is followed by the text: 'This is what families read about you before they book.' Below this is a section titled 'Families see you as **Jordan Ellis** · Change'. Underneath is a section titled 'About you' with a text area containing the text: 'Former college catcher. 10 years coaching hitters and catchers ages 8-18.' Below the text area is a note: 'Two or three sentences families read on your booking page.' Then there is a section titled 'Your mobile number (optional)' with an input field containing the text: '(512) 555-0123'. At the bottom is a 'Continue' button.
