

Family guide: book again and manage lessons

Once you’ve booked once, your coach and your saved kids are remembered, so the next booking takes a few taps.

STEP 1

Tap Book a lesson

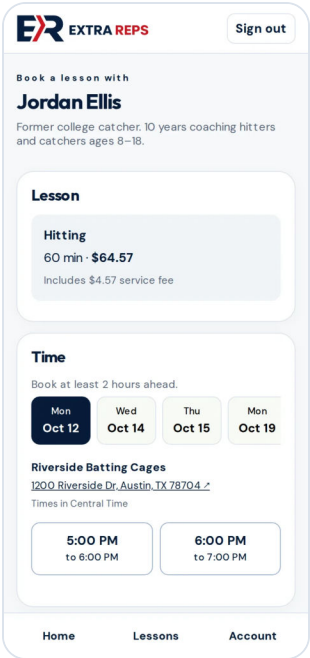

On Home, tap **Book a lesson**. With one coach it opens their booking page; with more than one, choose the coach first.

STEP 2

Pick a day and time

Choose the lesson, then a day and an open time.

STEP 3

Choose who it's for

Your saved kids appear as buttons. Tap one, or **Someone new** to add another child.
